

SPACE CARE

KEY WORKERS'
ACCOMMODATION

BUILDING COMMUNITIES THAT **CARE**

Say *goodbye* to long commutes and restless nights.

Say *hello* to convenience, better rest and an enhanced quality of life...

REIMAGINING SPACES

BUILT ON TOP OF **CARPARKS**

BUILT ON TOP OF **BUILDINGS**

Making space from **unused spaces**, SPACE CARE leverages on air rights to build fashionable and functional flats for key workers on Hospital premises.

THE FLATS

Simplicity meets **sophistication** in our SPACE CARE flats, each comprising of a bedroom (or two), a bathroom, living room, kitchen & dining area, and fitted with energy-saving technologies.

1 bed flat

2 bed flat

BEDROOMS

Here's to **more than 40 winks...**

LIVING ROOM

Bright open-plan living rooms with a desk and sitting area inspire **creativity and comfort...**

KITCHEN & DINING AREA

A **modern** and **practical** space to cook and dine in style...

LOBBY LOUNGE

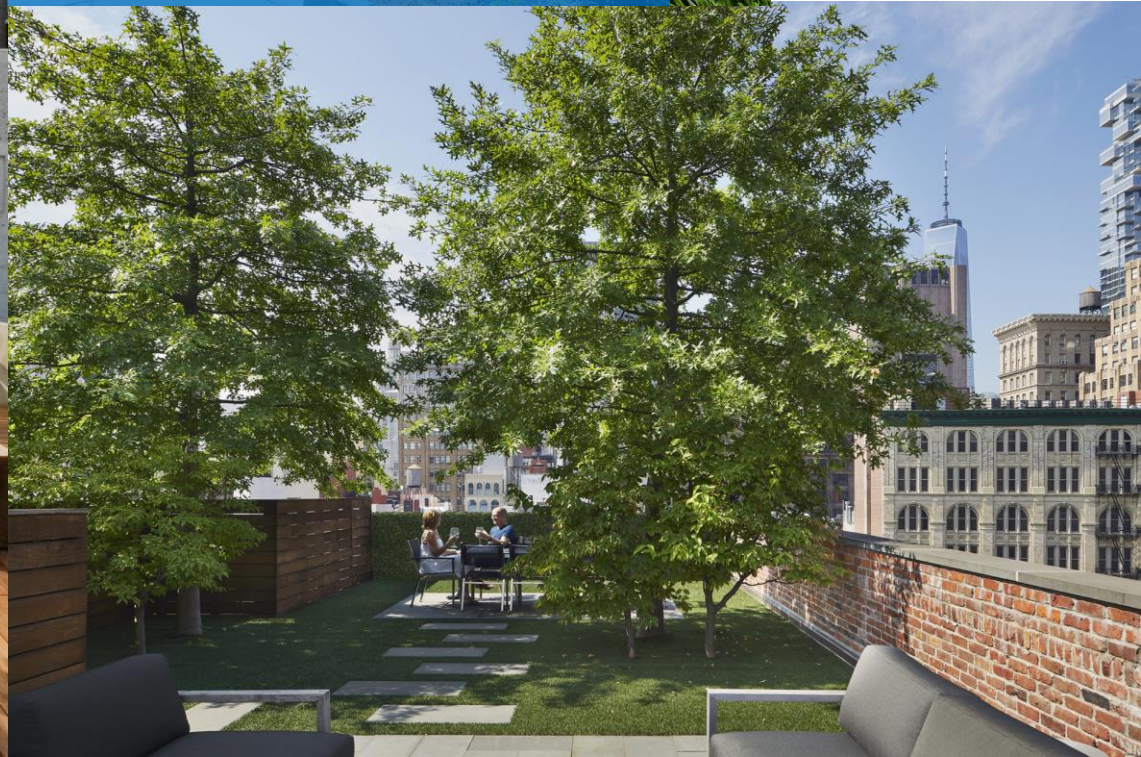

Shared spaces bring
communities **together**...

Take a quiet moment
to meditate, soak up
the sun and be one
with the breeze...

ROOFTOP GARDEN

Socialise, make
memories and
foster meaningful
relationships...

SUCCESSFUL DELIVERY FOR *THE NHS*

Delivery of a purpose-built **MRI building** at Ealing Hospital from conceptualisation to handover in conjunction with *London North West University Healthcare NHS Trust* and *Siemens Engineering*.
